PRAYER POINTS

November 2018

“Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth” (2Timothy 2v15)

Praise for:

- God’s faithfulness in protecting TASTE staff as they travel to many remote areas to carry out projects
- The five students from Venture Matrix who reported back very helpful findings and made useful recommendations on our Social Media platforms
- The successful Reeth Ramble on Saturday 27 October which has raised £375 so far
- The successfully training of WASH Champions and WASH Committees, and completion of borehole at Khipiya community (funded by Harry Inman Charitable Trust) and a rural school at Manguna (funded by The Pat Newman Memorial Trust) both projects are located in Plateau State

Pray that:

- Our staff will continue to honour God in all that they do both in the UK and in Nigeria
- We will be able to replace our aged terrameter – used to pin point the location and depth to ground water in communities.
- The current relative calm across Plateau State would continue even when campaigning for the Presidential Election in February 2019 intensifies
- Although TASTE is not one of the two chosen lead organisations (we came 3rd) for the Plateau State WaterAid Projects, the Lord will grant wisdom to our Nigeria Director Nuhu who has been asked to help draw up a strategy for them and to build the capacity of the staff of the lead organisations. Pray also that his involvement will lead to projects from WaterAid
