PRAAYER POINTS

January 2021

“The LORD Almighty is with us; the God of Jacob is our fortress.”
(Psalm 46v7)

*We wish all of you our dear friends a Blessed and Peaceful 2021
May the Lord be your refuge and an ever present help in times of trouble*

Praise for:

- God’s faithfulness in bringing us all safely to another year full of His exciting plans for us especially for our staff gearing up to travel to many remote and often flash-point areas to carry out projects
- The £45,000 which has been raised to carry out Water, Sanitation & Hygiene Project in 4 communities in Vom (a predominantly Christian area in Plateau State). The project which started just before Christmas is due to be completed by the end of this month.
- The amazing response to our appeal letter to help raise funds for the purchase of this £90,000. Needing to now raise £60,000 before March 2021, we already have £32,350 pledged one week after the appeal was launched

Pray that:

- Our staff will continue to honour God in all that they do both in the UK and in Nigeria
- We would use every opportunity we get during our projects to share the Gospel with communities
- God would protect the vulnerable communities that we support against Islamist Militants attacks and the Covid-19 pandemic
- Ben Udejiofo (CEO) would be successful as he seeks to motivate Nigerians resident in the UK to get involved with TASTE and support vulnerable communities across Nigeria
- Nuhu Chayi and TASTE Nigeria staff as they make preparations for the start of the 3 year partnership with Tearfund Nigeria. Tearfund will be at TASTE Nigeria office next week from Monday 18 – Wednesday 20
- We would be able to raise the initial £60,000 needed for the down payment and to ship the drilling rig to Nigeria. We need the rig in Nigeria by the end of March in readiness for the start of the partnership with Tearfund. We also need to raise the remaining £30,000 to fully pay off the rig
