

Yorkshire Plus Regional Retreat for Presbyters, Deacons & Lay Employees

‘The Path is Made by Walking’

Led by Dr Pat Bennett, this retreat will ponder how the act of walking contributes to our experience of pilgrimage and journey. We will explore the nature and rhythm of walking and how it might illuminate and open up our prayer life and our reading of the scriptures. There will be opportunity for reflective walks, long and short, led and self-directed, in the beautiful grounds of Wydale Hall and the surrounding countryside.
