## PRAAYER POINTS SEPTEMBER 2020

**“Because of the LORD’s great love, we are not consumed for his compassions never fail. They are new every morning; great is your faithfulness. I say to myself, “The LORD is my portion Therefore, I will wait for him.” (Lamentations 3v22-24)**

### *Praise for:*

- God’s faithfulness in protecting all our staff especially those who travel to many remote and often flash-point areas to carry out projects
- God’s faithfulness to us, we celebrate our 21<sup>st</sup> Anniversary this month.
- The Darley family for successfully completing the challenge they set themselves to walk/run/cycle or scooter 100 miles over the summer to raise money for us. They raised £540, exceeding their £500 target. Thanks guys!

### *Pray that:*

- Our staff will continue to honour God in all that they do both in the UK and in Nigeria
- We would use every opportunity we get during our projects to share the Gospel with communities
- Nigeria, particularly Plateau State where the Covid-19 infections are on the increase, would be protected from the pandemic so that the health service would be able to cope
- Nuhu Chayi’s effort to raise within Nigeria part of the outstanding £30,000 for the £60,000 proposed borehole project in Vom (a predominantly Christian area in Plateau State) would be successful.
- Th harvest would be plentiful to ease the additional hardship on families caused by the Covid-19 pandemic.
- The Lord would frustrate the plans of the Islamist Terrorists to carry out attacks in Nigeria; Boko Haram in Abuja, the Federal capital; The Islamic State West Africa Province (ISWAP) in the south; Fulani in Plateau State
- Nuhu Chayi (TASTE Nigeria Country Director) and Ben Udejiofo (CEO) would know God’s will as they work towards getting a bigger drilling rig for boreholes in rock strata that the current smaller rig cannot drill through. The new rig is likely to cost in the region of £100,000
