PRAAYER POINTS

February 2021

There are many who say, who will show us any good?
LORD, lift up the light of Your countenance upon us.
You have put gladness in my heart, more than in the season that their
grain and wine increased.
(Psalm 4 v6-7)

Praise for:

- God's faithfulness in keeping us all safe especially our staff who travel to many remote and often flash-point areas to carry out projects.
- The Water, Sanitation & Hygiene Project in 4 communities in Vom (a predominantly Christian area in Plateau State). The project is due to be completed by the end of this month.
- **Our new drilling rig!** Meehan Drilling Ltd has agreed to release the rig to us for an initial payment of 70% of the purchase price. We have now raised £72,000 which means that we can make the initial payment **and** ship the rig to Nigeria – **Praise the Lord!**
- Zhwerina (Good Seed) Nuhu Yakubu our TASTE Nigeria Country Director Nuhu Chayi and wife Sophia's lovely new baby girl born on Tuesday 2 February. Mother and baby are doing well.

Pray that:

- Our staff will continue to honour God in all that they do both in the UK and in Nigeria
- We would use every opportunity we get during our projects to share the Gospel with communities
- God would protect the vulnerable communities that we support against Islamist Militants attacks, kidnappings and the Covid-19 pandemic
- We would be able to raise the remaining £18,000 to fully pay off the rig
- The new drilling rig would be shipped to Nigeria quickly and safely in time for the start of the partnership with Tearfund Nigeria in April.
- Nuhu Chayi and Sophia will adjust well to being new parents and that Zhwerina Nuhu Yakubu would be kept healthy especially in these early days of her life.

Thank you for praying for us. Feel free to call Ben on – 07737413772 - if you'd like further information about any of these issues.
