Online Safety Webinar
17th June 2021, 10am -12.30pm
led by Karl Hopwood

The session will cover:

- Overview of the risks for children and young people and for adults – looking at some of the latest data/research – an example of some of the common scams and how to tackle them.
- How we can support those we are working with.
- The importance of policy – what is available and how we can protect ourselves when we are online – specifically our online reputation.
- Time for Q and A at the end.

The session will be led by:

Karl Hopwood is an independent online safety expert. He is a member of UKCIS (UK Council for Internet Safety) and sits on the UKCIS evidence group and the UKCIS education group as well as on the advisory board for the UK Safer Internet Centre. He also sits on Twitter's trust and safety council and the Roblox trust and safety board where he represents the Insafe network. Karl has worked for a number of key players in the UK and abroad including CEOP (Child Exploitation and Online Protection Centre), BECTA (British Educational and Communications Technology Agency), the European Commission, the UN and several Local Authorities within the UK and in Europe. As an ex primary headteacher, he continues to work closely in schools across Europe with children, young people, parents and teachers to develop safer online behaviours and the promotion of digital literacy. Karl has been employed for the last 14 years as an in-house consultant for INSAFE which is the coordinating node of the EU Better Internet for Kids programme where he is responsible for the coordination of safer internet helplines across Europe. Karl is the Chair of the Board of Trustees of the Marie Collins Foundation, a charity which supports young people who have been sexually abused and exploited online and is also a trustee of Childnet International. Karl has recently worked with a team developing a national online safety strategy in Rwanda and chaired the International Telecommunications Union (ITU) working group to re-write their Child Online Protection Guidance.
