# Advanced Safeguarding Training 2023

There are two options to complete the Safeguarding Advanced Module: Online or Face-to-Face

## Online Sessions

This is in two parts:

- **Part A - Self-Study/e-learning** – attendees will need to log into Theology X to access the study material. It is expected that it will take around 4-7 hours to go through all the material online, however, it can be split into smaller chunks of time as long as it is completed at least 2 days before the gathered session.
- **Part B - Gathered Session** - This is a 2-hour Zoom session. There will be opportunity to reflect on learning from the online self-study material and engage in further discussion with others.
