## **Advanced Module (Online)**

### **2023/24**

- **Do you need to attend the Creating Safer Space Advanced Module?**
  - Have you recently been appointed to a role requiring attendance?
  - Did you attend the Advanced Module previously and need to renew your training?

#### **Online Training**

This course is split into three parts:

- E-learning (units 1-5a) – approximately 4 to 7 hours which can be completed in smaller sections. Alongside the e-learning, participants complete a Workbook which they then take to the Gathered session.
- Gathered Session (Unit 5b) – a 2 hour facilitated session to consolidate learning from Advanced Module (online) e-learning.
- Handbook – to support learning during Advanced Module and for further study and resources.

***N.B. the e-learning MUST be completed before attending a Gathered Session***

**The training aims to:**

- to consolidate and develop your previous safeguarding learning and:
- extend your understanding of responding well to groups within our different Church communities
- further equip you with skills and resources to be confident in promoting good practice in the church and community
- explore what this means in your designated role of responsibility within the Church

***The Foundation Module must be completed before attending the Advanced Module for the first time.***
