Do you have the desire and gifting to reach out to the young people in our church and local community, to share God's transforming love with them?

We are a welcoming church in the lively, community-minded village of Burley-in-Wharfedale, which is set close to the beautiful Yorkshire Dales. It is our vision to find a passionate, dynamic Youth & Children's Worker to expand and develop our work with young people.

We are looking for someone with experience, who is innovative, enthusiastic, and able to work both independently and collaboratively.

Aims of the role:

- To adopt an imaginative and creative approach to build on our existing work of discipling the young people in our church
- To identify new opportunities for work with young people, their families, and our local community

To be successful you must have a strong pastoral heart and the ability to engage with young people on their level, in a relevant way. Familiarity with a range of social media platforms is essential. You should be self-motivated, able to manage your own workload and initiate new ideas. Having a good theological understanding is essential and a recognised youth work qualification would be an advantage. We can offer the successful applicant flexible working hours, the possibility of working from home where appropriate and, the benefit of working in this warm, friendly church and village community.

Please note there is an Occupational Requirement for the applicant to be a practising, committed Christian and an Enhanced DBS disclosure will be required.
