# Grants

## Missional Grants

One of the ways we equip our circuits and churches to respond to the gospel of God's love in Christ and to live out their discipleship in worship and mission is through making available grant support for **transformational mission** projects and **making properties fit for mission**. These grants are funded from annual contributions from circuits to our District Advance Fund.

If you are considering applying, contact our Mission Development Support Worker as early as possible. The Mission Development Support Worker's role is to help you explore, develop and articulate your vision, so that your mission might flourish. Further details of what we fund and how to apply are included on the district website <https://www.sheffieldmethodist.org/what-we-do/finance-fundraising.html>

## Grants for Learning & Development Opportunities

Learning and developing ourselves, our churches, circuits and district are vital and intrinsic aspects of being active people of God. However, the Sheffield District Learning and Development group recognises that sometimes the cost of developing or attending such opportunities may be a deterrent or barrier.

We are therefore pleased to announce the **District Learning and Development Fund**, set up to support learning and development activities of Methodists in the Sheffield District.

Full details can be found on the District Website:

or via the District Office : [admin@sheffieldmethodist.org](mailto:admin@sheffieldmethodist.org)

## Our District Mission

The calling of Sheffield Methodist District is to equip our circuits, churches and people to respond to the gospel of God's love in Christ and to live out their discipleship in worship and mission. It does this through:

- **LEARNING** helping people become, learn and grow into confident disciples of Jesus
- **CHANGING** supporting circuits and local churches as they respond to the transforming work of God's Spirit
- **JOINING IN** resourcing circuits and local churches as they join in God's mission both within their own life and the life of the world.

## Our Calling

We are proud to be part of the Methodist Church of Great Britain.

The calling of the Methodist Church is to respond to the gospel of God's love in Christ and to live out its discipleship in worship and mission.

It does this through Worship, Learning & Caring, Evangelism and Service.

Our district strategy for resourcing mission is also influenced by God for All, the Connexional strategy for evangelism and growth.

## For Such A Time As This our strategy for resourcing your mission

Six priorities have emerged where we can equip our circuits, churches and members to respond to the gospel of God's love in Christ, which is their calling and our calling:

**GROWING DISCIPLES** lies at the heart of our strategy, as a bedrock of supportive accountable, deepening relationship with each other and with Christ.

This leads to **PASSIONATE CONTEXTUAL WORSHIP** and **TRANSFORMING MISSION** for such a time as this.

Particular support is needed to rediscover confidence in **SHARING STORIES** for such a time as this.

We will help set disciples free for a life of worship and mission by **SIMPLIFYING PROCEDURES** and expert support to make their **PROPERTIES FIT FOR MISSION** for such a time as this.

We have listened to your call for change through spiritual renewal; keenness to listen, learn and discover our vocation; with ready access to yokes which fit well; being intentional in our mission but flexible to changing circumstances. We must be people of resilient hope, but not afraid of honest lament and grief. We have seen a desire to recognise ourselves as a Spirit-filled movement.

We deliberately use words such as growth, flourishing, excellence and confidence. But not out of ignorance of the trends in membership and other obvious challenges facing our churches, or of the communities in which we reside. Instead we affirm the call of the 3Generate manifesto to "Be Courageous".

For such a time as this reflects the willingness expressed even before coronavirus at many levels of our Connexional church to tackle longstanding inertia and take holy risks.
