Formal Education

Urban Theology Union

Tel: 07771 223690

Email: office@utusheffield.org.uk

The Urban Theology Union (UTU) is a movement of those following Jesus within marginalised communities.

We currently provide learning through excellent academic and locally developed theology. Lay people and ministers, from across Christian traditions, explore what living urban theology means, feed their faith, community engagement, preaching and mission.

Our courses and events planned so far for 2025-6 are below - see

<https://utusheffield.org.uk/diary/> to search for updates

- **Accompanied Book Writing Group** (all our writers so far have had their books commercially published) in person - *check with office for dates*
- an **open learning Doctoral Study Seminar**, in person - *check with office for dates*
- **Gospel Coffee Mornings**. (on-line) - a chance to reflect with colleagues how the Lectionary Gospel applies in your context - every 2nd Monday in the month at 10.30am
- **Kindom Evangelism Seminar** - online on the 1st Tuesday of August, October, December, February, April, June at 10.30am - a group engaging with how to share inclusive faith through action in the community
- **Festschrift for John Vincent** - a celebration of his work and prophetic voice - Sat 4th October in person, central Sheffield
- **Urban Mission Toolkit** - Learning and teaching materials to use in urban low income contexts, in person - Sat 11th October, Central Sheffield
- **Unlocking the language of John's Gospel through women's stories**
 - Dr Louise Liu will lead a four-week course showing how a simple introduction to the original Greek text can change our perspective on four women.
 - *check with office for dates*

We are also developing groups that are 'safe spaces' for people who may experience discrimination in the church because of disability, ethnicity etc to support each other, explore how theology can apply in their circumstance and maybe challenge the churches to include them more positively.

Who Is Your Neighbour?

'Who Is Your Neighbour?' is a project aiming to help build neighbourhood resilience in South Yorkshire.

We work with communities that feel threatened by change and difference. We enable and join honest conversations about people who are 'not like us', often focusing on immigration and related issues. Where appropriate, we later widen these conversations and include people from other groups with whom there may be tension.

If you are considering applying, contact our Mission Enabler as early as possible. The Mission Enabler's role is to help you explore, develop and articulate your vision, so that your mission might flourish.

Further details of what we fund and how to apply are included on the district website <https://www.sheffieldmethodist.org/what-we-do/finance-fundraising.html>

Our District Mission

The calling of Sheffield Methodist District is to equip our circuits, churches and people to respond to the gospel of God's love in Christ and to live out their discipleship in worship and mission. It does this through:

- **LEARNING** helping people become, learn and grow into confident disciples of Jesus
- **CHANGING** supporting circuits and local churches as they respond to the transforming work of God's Spirit
- **JOINING IN** resourcing circuits and local churches as they join in God's mission both within their own life and the life of the world.

Our Calling

We are proud to be part of the Methodist Church of Great Britain.

The calling of the Methodist Church is to respond to the gospel of God's love in Christ and to live out its discipleship in worship and mission.

It does this through Worship, Learning & Caring, Evangelism and Service.

Our district strategy for resourcing mission is also influenced by God for All, the Connexional strategy for evangelism and growth.

For Such A Time As This

Our strategy for resourcing your mission

Our aim is to maintain continuity with the core vision of the last few years, but to refresh our areas of focus in light of our evolving context and what we have learned along the way. We must every day see the world around us through God's loving eyes and recognise afresh the ways in which we have been called and equipped *for such a day as this*. We seek to be rooted in the experiences and values of the people called Methodist in this place, from this to be collectively confident to reimagine church in the differing ways it needs to become *for such a time as we are journeying into*.

Our priorities for resourcing mission for the next five years will be learning, changing and joining in with:

1. Growing, inclusive, evangelistic, justice-seeking **NEW CHURCHES**
2. Growing, inclusive, evangelistic, justice-seeking **FLOURISHING CHURCHES**
3. Growing, inclusive, evangelistic, justice-seeking **REVITALISED CHURCHES**
4. Where it is necessary and appropriate for work to end, it **ENDS WELL** and enables re-creation
5. Inclusively growing evangelistic and justice-seeking **LEADERS**
6. **SUFFICIENT FINANCE AND RESOURCES** for growing, inclusive, evangelistic, justice-seeking churches
