Online Training

This course is split into three parts:

- E-learning (units 1-5a) – approximately 4 to 7 hours which can be completed in smaller sections. Alongside the e-learning, participants complete a Workbook which they then take to the Gathered session.
- Gathered Session (Unit 5b) – a 2 hour facilitated session to consolidate learning from Advanced Module (online) e-learning.
- Handbook – to support learning during Advanced Module and for further study and resources.

N.B. the e-learning MUST be completed before attending a Gathered Session

The training aims to:

- to consolidate and develop your previous safeguarding learning
- extend your understanding of responding well to groups within our different Church communities
- further equip you with skills and resources to be confident in promoting good practice in the church and community
- explore what this means in your designated role of responsibility within the Church

The Foundation Module must be completed before attending the Advanced Module for the first time.
