

**Creating Safer Spaces**  
**Safeguarding: Foundation Module**

## **Train the Trainers 2022/23**

The majority of people with a role at church, are required to undertake the Foundation Module of Safeguarding Training, however it's not always easy to find available courses.

If you or your church would like to take control of safeguarding training then this is the course for you.

In **Train the Trainers** we equip you with the skills and practical resources you need to deliver the Foundation module. You would then be able to support the training needs of your church or join your Circuit Training team.

To be a trainer you must have already completed the Foundation module and to you will need to complete the Advanced module within 6 months.

Places are limited so booking is essential.
