

Pioneer Campfire

10th March 10:30am-1pm

For pioneers and those with a passion for community engagement. An opportunity to explore; through story, reflection and discussion, how the four Bible Month themes Good News presence in the community spheres and conversation.

Reflecting in the stories of four Pioneers we shall share around the virtual campfires moments of shared resonance, wonder, inspiration, grit and grime.

Come ready to 'be' within a gathered community of Pioneers, you may just want to bring your marshmallows too!
