PRAAYER POINTS

March 2021

Jesus replied, "Truly I tell you, if you have faith and do not doubt, not only can you do what was done to the fig tree, but also you can say to this mountain, 'Go, throw yourself into the sea,' and it will be done.
(Matthew 21 v21)

Praise for:

- God's faithfulness in keeping us all safe especially our staff who travel to many remote and often flash-point areas to carry out projects.
- **Your support for the purchase of our new drilling rig!** We have now raised £93,865 (£65,265 – Gifts & £28,600 – Loans). We have paid £55,000 and hope to ship the rig on 13th March – **Praise the Lord!...and Thank you**
- God's blessing through Good Taste Fair Trade Shop Sheffield. It has donated all its profit - £12,000 from its 2020 trading towards our new rig. The cheque was handed over (observing socially distancing protocol of course) to our Patron Dan Walker.
- Libby TASTE's 11 years old supporter has just started a business enterprise making birthday cards and will give 10% of the money she makes to TASTE. Why not buy your next birthday card from her at <http://www.cardsofhope.bigcartel.com/>
- Jacob Pollock another young TASTE supporter is raising money for us during Lent by walking 10,000 steps (8km approx.) a day. Why not sponsor him, visit: <http://www.justgiving.com/JacobPollock>

Sample of Card of Hope cards

Pray that:

- Our staff will continue to honour God in all that they do both in the UK and in Nigeria
- We would use every opportunity we get during our projects to share the Gospel with communities
- God would protect the vulnerable communities that we support against Islamist Militants attacks, the current spate of kidnappings and the Covid-19 pandemic
- The new drilling rig would get to Nigeria quickly and safely and that it would not be held up by Customs at the port. The last vehicle we shipped took a month to get to Nigeria, but then 6 months to clear customs!

Thank you for praying for us. Feel free to call Ben on – 07737413772 - if you'd like further information about any of these issues.
